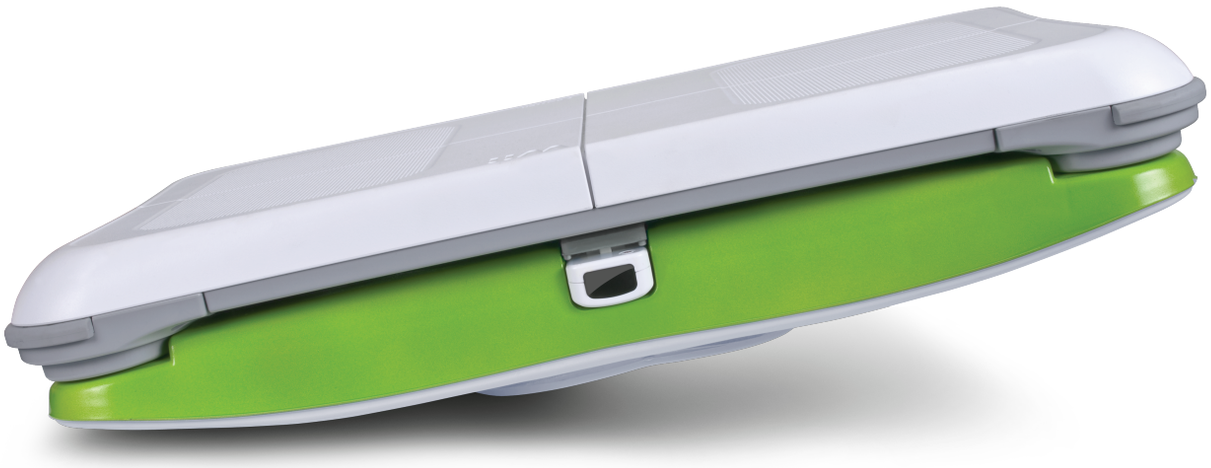
Tilt-Board Attachment

Wi-RRBB

for Wiifit Balance Board



Wii™ Motion Plus Compatible

With our easy to use Tilt-Board attachment, you will be thrown right into the game! Your skills will be tested in snowboarding and skateboarding games like never before. By placing the Wii™ Fit™ balance board on the Tilt-Board attachment, your overall game experience will be pushed to the edge, literally. The Tilt-Board allows you to bank and tilt as you play your games by using your body weight to carve a turn, or avoid an obstacle. All you do is connect the Wii™ Fit™ balance board onto the tilt-board, and control it by shifting your body weight. The tilt-board attachment for the Wii ™ Fit™ balance board adds a much more realistic quality to playing any balance board compatible game.

Features include:
- Using the Wii™ balance board for skateboard and snowboard games.
- Could be used for balance training, independent of games.
- Non-Slip Base (for use on carpet or hardwood, or tile)
- Holds Wii™ Remote within the board, in flush compartment
- Bottom will not scratch floors
- Wii™ MotionPlus™ and Wii™ Fit™ balance board compatible

Compatible with the following Nintendo® Wii™ Games:
- Super Monkey Ball Banana Blitz
- Marble Saga®
- Shaun White SnowBoarding: World Stage™
- Shuan White SnowBoarding: Road Trip™
